At Coles, we're proud to be a major partner of Little Athletics Australia and the Coles Australian Little Athletics Championships.

This is a first for Coles and it is the most significant sports partnership we've ever been involved in. We are passionate about our fresh food and we think this sponsorship is another way we can support health, fun and fitness in communities across Australia.

We would like to wish all the athletes the best of luck for this year's Coles Little Athletics National Championships. We hope you enjoy the experience of representing your state and the opportunity to forge many life-long friendships and memories. Remember to be your best and have fun!

Finally, thank you to all the families, coaches, officials and volunteers for your hard work and dedication to the Championships and supporting little athletes this season.

COLES LAA PRESIDENTS MESSAGE

On behalf of the board of directors of Coles Little Athletics Australia, it gives me tremendous pleasure to welcome athletes, their families, team and competition officials and supporters from all parts of Australia to the 2019 Coles Australian Little Athletics Championships (ALAC) in the historic southern city of Hobart.

A special welcome to our naming rights sponsor Coles. Thank you for your ongoing support of Little Athletics.

This year, the Championships will bring together the best 280 athletes from across Australia in the U13 and U15 age groups, along with eligible U14 and U16 athletes that would have otherwise missed the opportunity when the age group changes caused them to skip either U13 or U15 competition. For this year only, team numbers will be increased by 25%, from 32 to 40.

The ALAC is a unique event. Although individual place-getters are recognised, the emphasis is on team performance and team point scores. I wish every athlete involved here this weekend the very best. I know they will represent themselves and their state or territory with pride, and I hope they will be happy with their performances.

However, the joy of taking part is just as important. For many, this will be your first time away from home as part of a touring team. You will make life-long friends from all over Australia, and the memories will last a life time. And who knows, it might just be the catalyst for a rewarding career in sport. Many former ALAC athletes have gone on to selection in junior and senior Australian teams; at Olympic Games, World Championships and Commonwealth Games. Others have gone on to successful careers in other sports.

I also would like to wish the hard working volunteer officials all the best for a great event and hope they also enjoy the experience. Without you, there can be no championship.

As in previous years, the ALACs will be live streamed so that family and friends unable to be here in person can experience the thrill of competition from the comfort of their living rooms.

I know that the LATas Board and their organising committee have worked hard to ensure the success of this event. So, my thanks to President Brett Johnstone, and all their support staff and wish them good luck and that all goes smoothly. I also thank LAA's Competition and Standards Manager Andrew Duncan, our CEO Martin Stillman and the LAA office staff for their significant contribution to the preparations for the event.

Good luck to all involved, and I hope you have a wonderful ALACs.

President - Coles Little Athletics Australia

LATAS PRESIDENTS MESSAGE

I would like to extend a very warm welcome to you all to Tasmania and to Hobart for the 2019 Coles Australian Little Athletics Championships. I hope that you all enjoy your visit to our beautiful state and take the opportunity see some of the many sites on offer.

Congratulations to all athletes who have been selected by their respective States and Territories to compete this weekend. This selection is the result of a lot of hard work over many months and in some cases years. A lot of training and dedication is required to reach this level and often involves a lot of sacrifices being made along the journey. Congratulations also the coaches, managers, parents and Centre committees who have been part of the journey for the athletes.

I'm certain all athletes will compete to the best of their abilities whether that is a medal, a personal best, or the knowledge that their points contributed to their States' overall result. This weekend is also about making new friendships and the opportunity to experience a representative team environment.

A very heartfelt thank you goes to our Officials who are very generously volunteering their time and expertise to help the event run smoothly. Without your continued commitment and dedication to our athletes none of these events would be possible.

I would like to thank our Convening committee led by Garry House and the staff of LATas and LAA who have worked tirelessly to bring this event to fruition.

In closing I would like to thank all the team personnel for their efforts with the teams this weekend. I wish all athletes every success at ALAC 2019.

CELEBRATING 50 YEARS OF THE AUSTRALIAN TEAMS CHAMPIONSHIP

The first Interstate Meet was held at Olympic Park, Melbourne Victoria on March 25th 1970, with teams from Western Australia and New South Wales competing.

The meet, initiated by a request from New South Wales was a success both for the competition and the publicity. A team of 20 children and two chaperones attended from each state.

At this time registered Little Athletes numbered 2,358 children in WA, 2800 in NSW and 29,257 in Victoria.

The second interstate meet was held in Sydney on 4 April 1971, with the same states again competing. During the Sydney meet an initiative was taken to form a national organisation. This was to take place at some time prior to or during the interstate meeting to be held in Perth in 1972. The proposal was to form a national body for Little Athletics, with each state represented by two delegates.

PROUDLY SUPPORTING AUSSIE ATHLETES

Coles Australian Little Athletics Championships

At Coles, we're passionate about helping Aussie kids keep fit and healthy. It's why we are donating bananas and sports equipment grants to hundreds of Little Athletics centres across the country. These are just two ways we're supporting Australia's little athletes to run, jump, throw and grow this season.

We are proud to put our name to the Coles Australian Little Athletics Championships. We'd like to thank all the families, coaches, officials and volunteers for your hard work and dedication to the Championships, and wish all the little athletes the very best of luck.
