

**LAA BOARD REGULATION
HALL OF FAME RECIPIENTS
&
OFFICIAL OF THE YEAR
CRITERIA AND PROCESS**

*(Regulation 16 November 2022)
(Updated 12 January 2024)*

INTRODUCTION

The Board of Coles Little Athletics Australia (“LAA”) has an important strategic and corporate governance role as the governing body for Little Athletics in Australia. The Board has a special relationship with its key stakeholder being its state and territory Member Associations (“MA’s”). Accordingly, it is important that both LAA and its MA’s are involved in the process of the bestowal to recipient of Hall of Fame Status of LAA. Traditionally, acceptance into the Hall of Fame is one of the highest honours that can be bestowed by LAA.

BACKGROUND AND PURPOSE

Hall of Fame status has been bestowed on recipients by LAA and its predecessor since 2009. After the inaugural year of 2009, it was determined by the Board that no more than 2 inductees to be inducted per category (see below) in any one year. The Board of LAA considered that given the program has been going for about 15 years that it was timely for the Board to review the Criteria and procedures for the Hall of Fame process. Whilst not a Hall of Fame award, LAA recently have bestowed on certain officials the Official of the Year award at the Hall of Fame ceremony. This regulation codifies for the Board the previous procedures of LAA in respect to the Hall of Fame and Official of the Year process respectively.

AUTHORITY

Under Clause 22.1(a) of the LAA Constitution “The Board may from time to time make regulations which in their opinion are necessary or desirable for the administration and management of LAA affairs and LAA may amend repeal and replace those regulations. In turn, Clause 22.1(b) provides that “Interpretation of the Regulations is solely the responsibility of the board”. Pursuant to these powers, the Board is to make a Regulation in respect to the criteria and selection process of Hall of Fame and Official of the Year recipients.
